FUTURE FOUNDER DAYS

05-06 November 2026

NOI TECHPARK, SEMINAR ROOM 2

Thinking about starting your own venture? Join us for an inspiring two-day journey through the start-up ecosystem at NOI Techpark – your chance to explore entrepreneurship, gain practical founder insights and skills, learn about team building and network with like-minded peers.

During the two-day workshop you will get a solid idea of what it's like to be part of the vibrant NOI-Community, meet some of the start-ups that are currently incubated in the NOI Start-up Incubator,
team up with other aspiring founders to develop an idea, identify potential challenges and opportunities, and define a target market, present your work to the incubator team and the other participants, join the Pitch Night at NOI on the evening of the first day of the workshop.
